1. The Khazar-Turk are of the bloodline of Genghis Khan, circa 1200-1227 AD.
(1 in 200 alive today are of his bloodline. So it is true).

2. The European-Ashkenazi (see Genesis, chapter 10, Verse 1-4 K.J.B.)

Call themselves Jews but they are not (see above). They adopted the
Rabbinical and the banking that the Judean (orthodox-Torah) Jews of
Abraham, Isaac, Jacob. The Ashkenazi are of Noah's Son Japheth.

3. Ashkenazi are not Semites. only the ancient middle east people's are.

4. European/American Ashkenazi moved into Palestine/Jerusalem in 1948
The orthodox Jewish (true Jew) does not want the political
European Talmudic/Ashkenazi Zionist there.

The chart shows what has been going on for hundreds of years. A millenium, if you will. They are well versed in social engineering, but self serving and evil by any civil standards of morality. Mankind as a species will always be stunted as long as this ideological / bloodline of Japheth rules. To deceive is their tool. To be worshipped is their goal. To murder, rape, torture is their pleasure. Satan in one form or another is their god. They are nearing the time of their own destruction. May God have mercy on their souls.

6th attempt

March 23, 2017

Dear Mr. President:

This is my fifth attempt to notify you of an ongoing foreign and domestic political coup d'état against the United States Republic(s) through your intelligence agencies command, which evidence we have chronologically formatted for your edification.

I am sure we can very quickly and solidly set your adversaries back on their heels and allow you the time you need to do your works for the Constitution republic(s), under de jure Rule of Law. With a little help from a small hand picked team, we are able to run totally in-the-light lawful interference for you in your efforts to protect the lawful policies, laws and contracts.

We are very well informed as to who these ladies and gentlemen are at virtually all levels of both State and federal governments, which includes their foreign and domestic puppet masters.

We also do not enter into blame, -hate, and control our anger because we have no known enemies. Emotions, anger, hate, etc. weakens us. However! the facts are what they are and serve us all.

It has always been the intelligence in government that are the operators for literally all assassinations, wars and major crimes against its own government and because we operate totally in the open (no secrets) we are able to get directly to the heart of these problem(s). Call me! I'm serious. We can help.
